

School Annual Education Report (AER) Cover Letter

February 22, 2017:

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-2016 educational progress for Lapeer High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Douglas C. Lindsay, Principal for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.lapeerschools.org/cms/One.aspx?portalId=3097475&pageId=17997940> or you may review a copy in our main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school has not been given one of these labels.

In reviewing the data in the combined report, several celebrations and challenges have been identified based on the results of Lapeer High School in relation to the state. The primary celebration would be the widening of the gap between LHS and the state average in the area of Social Studies. On the M-STEP results, LHS progressed from being 1.7% above the state average on the 2014-15 testing to 8.3% above the state average on the 2015-16 testing. The primary challenge is the reversal of this pattern in the area of science, where the deficit LHS had in 2014-15 of 1.6% compared to the state average was increased to 5.6% in 2015-16. Additional challenges that can be found in the data are the gaps that can be found in comparing the economically disadvantaged subgroup to those that are not economically disadvantaged. On the SAT test, the percent meeting or exceeding the benchmark for total score has a gap of 15.2% between these two groupings of students. Similarly, when comparing students with disabilities to those without, the disparity increases to 31.2%. To address these issues, our school improvement plan has been developed to provide training to staff through differentiating our

instructional practices to meet student needs and supporting that training through learning coaches working with staff in the classroom. The goal of these efforts is to address the tier 1 issue that is identified through our performance on state assessments.

State law requires that we also report additional information.

Process for Assigning Pupils to Schools

All students in grades 10-12 in Lapeer Community Schools attend Lapeer High School. The only exception to this assignment is those students that choose to attend the Alternative Program based on their academic needs.

Status of the School Improvement Plan

Student Goal Statement: All students at Lapeer High School will be proficient in mathematics.

- A 5% increase of all students will demonstrate proficiency by hitting the college readiness benchmark in mathematics.
- A 10% increase of students with disabilities will demonstrate proficiency by hitting the college readiness benchmark in mathematics.

Student Goal Statement: All students at Lapeer High School will be proficient in reading.

- A 5% increase of all students will demonstrate proficiency by hitting the college readiness benchmark in reading.
- A 10% increase of students with disabilities will demonstrate proficiency by hitting the college readiness benchmark in reading.

Student Goal Statement: All students at Lapeer High School will be proficient in writing.

- A 5% increase of all students will demonstrate proficiency by hitting the college readiness benchmark in writing.
- A 10% increase of students with disabilities will demonstrate proficiency by hitting the college readiness benchmark in writing.

Specialized Schools in the District

Specialized schools provide alternative educational opportunities for students on either a part-time or full-time basis. In addition to the regular K-12 program provided by Lapeer Community Schools, the district has students attending six specialized school programs: Special education for the most severely handicapped students, Community High School, Lapeer County Educational and Technical Center and two options utilizing the Year-Round calendar at both the K-5 and 6-8 grade levels.

- The **Lapeer Intermediate School District** offers programs for the most severe mentally, physically and emotionally impaired students. Most of these programs are housed at the Lapeer County Educational and Technical Center.

- **Lapeer Community High School** serves “at-risk” youths ages 14-18 in an alternative environment. The school provides a curriculum designed to develop employability and social skills as well as academic skills. A range of services address problems such as poor attendance, poor academic performance and behavioral issues.
- **The Center for Innovation at the West Campus** is a program that will offer a series of project based learning classes, a Project Lead the Way science program for students in grades 6-12, college on campus courses, and other programs. Many students in grades 6-12 will opt to spend a portion of their day at the CFI campus in order to take advantage of these many educational options.
- **The Lapeer County Educational and Technical Center** provides vocational education and related services to high school students from all of the county high schools. Students in the 15 programs learn job specific skills to help them prepare for employment upon graduation. They also learn academic skills in an applied setting.
- **Rolland-Warner Year-Round Middle School** is a program for students in grades 6-8 that operates on a balanced calendar. Students attend school the same number of days as traditional calendar students, but have a shorter summer break and more frequent week-long breaks during the school year. This program is housed at Rolland-Warner 6/7 Campus. Students in grades 6-8 will begin their year at this campus and then students in grade 8 will relocate to the Zemmer 8/9 Campus. Over 100 students participated in the Year-Round Middle School program this past school year.
- **Turrill Year-Round Elementary School** is a program for students in grades E5-5 that operates on a balanced calendar. Students attend school the same number of days as traditional calendar students, but have a shorter summer break and more frequent week-long breaks during the school year. During these week-long breaks, students can opt to attend intercession camps for a nominal fee. Turrill has over 450 students that take advantage of this option for their elementary school years.

Accessing the Core Curriculum

The core curriculum of Lapeer Community Schools is modeled after the Michigan Department of Education’s (MDE) K-12 Curriculum and Standards. Our teachers have developed pacing guides, lesson plans and assessments to align with MDE grade or course level specific expectations. To access the core curriculum online, visit <http://www.mich.gov/mde>; click on College & Career Readiness on the menu, and then select the Michigan Merit Curriculum tab followed by the Academic Standards and Credit Guidance selection to access the appropriate subject area standards.

Local Competency Achievement Results on National Assessments

Both 11th and 10th grade students completed national assessment in the 2015-16 school year. The results comparing those results to the results in the previous year, 2014-15, for the 11th grade students is reflected in the tables below.

ACT MEAN SCORES	Class of 2016 Spring 2015	SAT MEAN SCORES	Class of 2017 Spring 2016
English	19.2	EBRW	509.6
Math	19.5	Math	496.7
Reading	20.3

Total	36.4%

Parent Teacher Conferences

During the 2015-16 school year, Lapeer High School conducted both Fall and Winter Parent Teacher Conferences. The percent of students represented by parents at conferences can be found in the table below:

	Fall		Winter	
	Number	Percent	Number	Percent
2014-2015	242	16.7%	85	5.9%
2015-2016	263	19.6%	99	7.4%

Required High School Additional Information

	2014-15		2015-16	
	Number	Percent	Number	Percent
Post-Secondary Enrollments	226	15.6%	352	26.3%
College Equivalent Courses (CEC)	14		16	
Student Enrollments in CECs	959	66.2%	809	60.4%
Students Receiving Credit in CECs	315	32.8%	347	42.9%

The second year of Lapeer High School was a positive one in many regards. The efforts of the students and staff in academic, athletic and social realms remained positive throughout the year. A great deal of growth occurred with regards to the building culture to establish a strong foundation moving forward. Continued growth in the academic realm is the focus moving forward, with efforts to differentiate instruction and provide support to staff in meeting student needs through learning coach support.

Sincerely,

Douglas C. Lindsay
Co-Principal - Chief Academic Officer
Lapeer High School
