May 2021 Lightning Leaders**Sophomore****Emma Lazzell****Junior****Jason Verhelle****Senior****Katrina Horn****Staff Member****Mr. Baumgart****Staff Member****Mrs. Koues**

Please take a moment to congratulate and thank our Lightning Leaders!

These outstanding students and staff members may have received nominations for various reasons, but all contribute to making LHS the best place to be!

Thank you for all that you do #BoltUp

Phase 4 Requirements: Facial Coverings & Other Changes

In order to comply with the phase four requirements of returning to school face to face, there will be some noticeable changes from years past in the way that we do things here at LHS! Parents, please use the daily Parent Screening Tool before sending students to school. Staff must all use the MI Symptoms screening app before enter any building.

*First, and foremost we need to do our best to ensure the safety of both our students and our staff members when in the building. With that said, in phase four of this plan, facial coverings are **REQUIRED**. If you are choosing to send your student to LHS for a face-to-face learning experience, you are choosing to send your student to school in a facial covering. Students refusing to wear proper facial coverings may not be permitted access into the building!

There are many facial covering options available such as the traditional mask, or the gaiter style masks, but not that whatever facial covering you choose, your child must have both their mouth and

nose completely covered while in the building. If your child does in fact have a medical condition prohibiting the use of a proper facial covering please be sure to bring that medical documentation signed by a doctor into the main office.

Lapeer Community Schools does offer virtual options to all students and parents, so if you find yourself in a position where you are unwilling to send your student to school in a proper facial covering, please look into this option.

What else is happening at LHS to keep our students and staff members safe?

*There will be frequent cleaning of all common areas throughout the day, and sanitizing each evening.

*Proper handwashing will be taught and breaks in the day will occur for student to wash their hands frequently.

*Adjustments to lunch will be made to limit students coming together in large groups.

*Classroom seating will be adjusted to maximize the distance between students and staff.

*Plexiglas dividers may be used in some areas of classrooms where division of students isn't feasible.

*Students that may become ill during the day will be provided an area away from other students until a parent arrives for transportation home; students that become ill will not be permitted to ride home on the school bus.

*There will be limited occupancy allowed into the building at a time for events such as student orientation, therefore orientation times will be extended.

*Bathrooms will be cleaned frequently and sanitized nightly so they are ready before students come to school and again throughout the day while students are in the building.

*Classroom desks/tables will be sanitized between each hour so students will come in and sit at a pre-cleaned desk/table each hour.

Counseling Corner

Contact Us: **Kathy Aalbertsberg, Counseling Sec.** **(810) 667-2418 ext. 3121** **kaalbertsberg@lapeerschools.org**

Athletic Clearance Process

The Lapeer High School Athletic Clearance is a process ALL athletes must go through before the start of each new season! The LHS athletic office has begun clearing student-athletes for this upcoming athletic season, and will continue throughout the remainder of the year. Please see the list below for information required to complete the athletic process. Student-athletes will **NOT** be able to practice or tryout for their sport until all paperwork has been turned in and they have received their athletic bracelet. For questions, please contact the LHS athletic office.

Location: Lapeer High School Athletic Office
(810) 667-2457

Required Steps:

- Turn in a Current Physical (Dated after April 15, 2020), if there isn't a current 2019-2020 physical on file.
- Complete a Medical Emergency Card
- Sign a Code of Conduct (completed once during high school athletic career)
- Meeting with building administrator
