FOOD SERVICE INFORMATION

Michigan has become the latest state to greenlight universal free school meals. We are pleased to inform you that Lapeer Community Schools will be offering a healthy breakfast and lunch at **NO CHARGE** to students each day for the 2023-24 school year!

As in past years, we ask that you continue to **fill out and sign the Free and Reduced-Price Meal Application**. Applications are available at lapeer.familyportal.cloud or in district building offices. This information is critical in determining the amount of money that our school receives from a variety of State and Federal supplemental programs like Title I A, At-risk (31a), Title II A, E-Rate, etc.

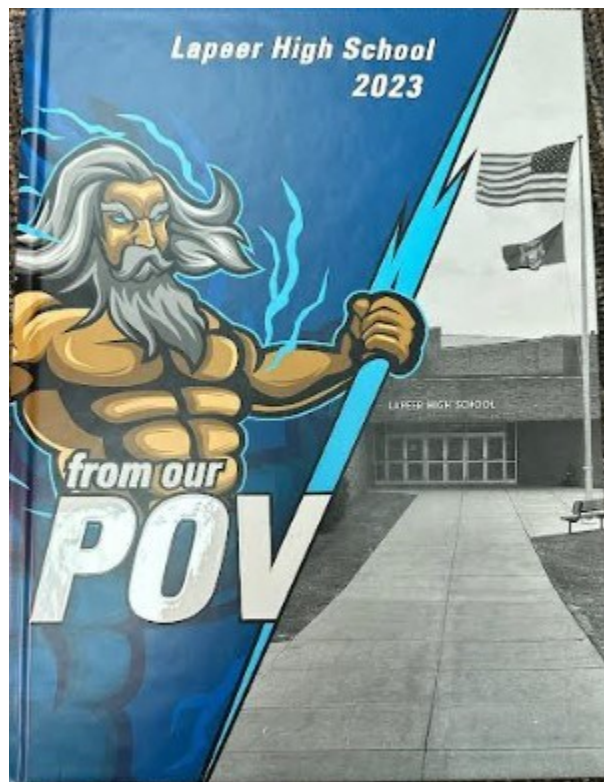

The funding helps support the following programs:

- Staff, supplies & materials, etc.
- Counseling, social work, health services, etc.
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

We are asking that you please complete and submit the application as soon as possible to ensure that additional funding for our school is available to meet the needs of our students. All information on the application submitted is confidential. Without your assistance in completing and returning the application, our school cannot maximize the use of available State and Federal funds. For any questions, please contact us at foodservice@lapeerschools.org or 810-538-1648.

To access the application online for faster and easier processing, please visit lunchapp.com or scan the QR code.
