Lapeer High School is fortunate to be able to host ten exchange students for the 2019-20 school year. These students are able to bring to us their cultures and experiences as they spend the year learning about our culture. Please take a moment to welcome them as you see them around the building or in your classroom.

Healthy

Habits

"The American Academy of Pediatrics strongly supports the efforts of school districts to optimize sleep in students and urges high schools and middle schools to aim for start times that allow students the opportunity to achieve optimal levels of sleep (8.5–9.5 hours) and to improve physical (eg, reduced obesity risk) and mental (eg, lower rates of depression) health, safety (eg, drowsy driving crashes), academic performance, and quality of life."
